Dear Mr. Morton,

I recently read that Gold Canyon Sewer Company is intending a 100% plus increase in it's rate structure. I oppose this proposed increased vehemently! The Company told us that there would be no increase in rates for the upgrade and now they want to double the rate we are paying now! This is absurd! My social security check went up \$31 in January and that is to keep pace with inflation and the cost of living. Gold Canyon Sewer wants all of that plus more.

I do all of my shopping at Basha's on Hwy 60. The stench coming from the supposed upgrade is sickening at times.

I can see a slight increase, perhaps \$5 per month, but doubling the price we pay now is ridiculous! I will not be in town when the meeting is held to discuss this matter, so I am extending my comments through email.

Perhaps it's time for us to go back to outhouses or septic systems to take care of our waste water and sewage.

Please don't allow this travesty to go through.

Thank you for listening,

Bill Franks
